# EMPOWER YOUTH AND STRENGTHEN COMMUNITY BY ADOPTING A CABIN AT LUMSDEN BEACH CAMP

---

## Why Sponsor a Cabin?

Sponsoring a cabin is a meaningful way to support young people as they experience community, belonging, and faith at camp. Your support helps create a welcoming space where youth can build friendships, grow in confidence, and explore their spirituality in a caring Christian environment.

By sponsoring a cabin, you help ensure that camp remains a place where the values of the United Church, love, justice, inclusion, and faithful living, are shared with the next generation.

**Support Youth Development:** Your sponsorship helps provide a safe, nurturing, and enriching environment where children can learn, grow, and thrive.

**Enhance Camp Facilities:** Contributions or volunteer time from sponsors help maintain and improve our cabins, ensuring they are comfortable, safe, and equipped for memorable camp experiences.

**Community Engagement:** Partnering with Lumsden Beach Camp shows your service, club, or business's commitment to community service and youth development, strengthening your reputation and influence in the local community.
