Goals and Purpose of Lumsden Beach Camp:

Lumsden Beach Camp is part of the United Church of Canada, a liberal, progressive Christian denomination, rooted in social and environmental justice, committed to reconciliation and learning right relationships, and to an affirming welcome of all peoples, regardless of race or religion, ability, gender and gender expression, sexual orientation, or economic background.

We seek to provide a safe place for children and youth to explore their own sense of self, personal leadership, explore their own understanding of spirituality, and their connection to the sacred – while learning new skills and developing independence in an inclusive, camper-centred environment. While we do not require our staff members to hold any particular religious or spiritual beliefs or convictions, we do ask that all staff members affirm the importance of these goals, help us create this environment, and participate as fully as their particular job duties allow, in all facets of the camp community.
